- CONNECTION TRAILS
- DIRT ROAD (no motor vehicle access)
- WINTER NORDIC TRAILS
- PAVED RECREATION PATH

CLASSIC PENINSULA ROUTES

- CROWN POINT ROAD 4.4 Mi. Round Trip**
EASY Starting Elevation: 9,150 ft. Highest Elevation: 9,270 ft.
 From the parking area at the intersection of Recreation Way and Peninsula Road, ride the Rec Path south towards Highway 9. Turn left on the paved Dickey Connection Path. In 100 yards, veer left onto Crown Point Road and ride the dirt road to the turnaround loop at 2.2 miles. Return the same way, or for a more technical option, return to the parking lot via Olympian's Link to Peninsula Rd.
- JOEY'S LOOP 3 Mi. Round Trip**
MODERATE Starting Elevation: 9,150 ft. Highest Elevation: 9,340 ft.
 From the parking area at the intersection of Recreation Way and Peninsula Road, ride the Rec Path south towards Highway 9. Turn left on the paved Dickey Connection Path. Veer left onto Crown Point Road for a short distance to the start of Joey's Loop. Ride the trail counter-clockwise around the western ridge line. You will pass intersections with Crossover and Reichl's Retreat before the trail helps back to the south. Finish the ride down Balfour Blitz to Peninsula Road.
- BUZZ SAW LOOP 3.6 Mi. Round Trip**
DIFFICULT Starting Elevation: 9,100 ft. Highest Elevation: 9,340 ft.
 From the parking area at the intersection of Recreation Way and Peninsula Road, ride the Rec Path south towards Hwy. 9. Take a left on the paved Dickey Connection Path then an immediate right onto Buzzsaw. The singletrack trail climbs 0.9 miles to the start of Buzz Saw Loop. Ride the 1.6 mile loop and return to the parking lot the same way you came via Buzz Saw.
- LAKESHORE PERIMETER TRAIL 4.3 Miles**
MODERATE Starting Elevation: 8,058 ft. Highest Elevation: 8,082 ft.
 Hike or bike the relatively flat Lakeshore Perimeter Trail in either direction. Park at the Frisco Adventure Park and access the trail via the paved Rec Path. Note: This trail enters and ends its Peak One Campground between sites 63, 70 and 71. It passes through the Pine Cove Campground.
- Perimeter Connection Trail**
 Use this trail to connect to the west side of the Perimeter Trail. It accesses the trail via Water Dance.
- PHAT LOOP 1.2 Miles**
MODERATE Starting Elevation: 8,025 ft. Highest Elevation: 8,175 ft.
 Start and finish this loop bike trail at the parking area nearest basecamp 64. This trail rides well either direction and offers a mix of trail waves and twisty single track in dense forest.
