

**Shallow Areas:** Beware of SUP fins and Hobie Flippers in shallow areas and while going ashore.

**Explore:** Go between the islands and the shore. Beach boats and go explore.

**Note:** Hazards are shown at high water level. Lake levels vary throughout the summer. If the water looks brown, it is shallow.

**Where To Return The Boat:** Return your canoe or kayak to the canoe and kayak dock.

**RIGHT OF WAY:** Paddle sport boats have the right of way. Regardless, **beware of sailboats and powerboats.**

**Paddler Tips:**

1. Always wear your PFD (Personal Flotation Device).
2. Stay clear of center channel (high powerboat travel).
3. Watch weather for increasing winds and waves. Stay close to shore during inclement weather.
4. Keep tabs on your time and distance. It always takes longer to get back.
5. If you capsize, get out of the water and get warm A.S.A.P. If you are not close to shore, stay with the boat.
6. Please pack trash out of boats and islands.

- \* We are not responsible for items left behind in boats.
- \* Please check in at the office for license, credit cards, and or keys.

**Restrooms:** Located behind Marina Office
