

Wednesday Remote Learning + FFC

We know that this school year is different than most, and we are here to provide a space for remote learning supplemented with some fun! Our staff is dedicated to helping your child stay on track with their schooling, set aside reading time, and go for daily outdoor adventures!

Campers are asked to bring tablets/ computers to adhere to online learning schedule, and headphones with a microphone.

Parents, please have your child's schedule with login and password taped to their devices so staff can help your child log in to attend and Zoom meetings.

Sample Schedule

**All activities subject to change, please refer to ["Elementary "A Day in the Life"](#)
