After School Fun Club

After School Fun Club provides consistent childcare, running five days a week, after school, at Frisco Elementary School. The program mimics our summer Frisco Fun Club activities, including games, team building, crafts, sports, and more. We are excited to continue to work with The Frosted Flamingo for art activities, the Frisco Historic Park for educational activities, and Thrive Yoga Summit for yoga and mindfulness activities.

Winter 2023 Dates

Transportation will be provided from Frisco Elementary; Town of Frisco staff will drive a 15-passenger van to drive the Frisco Nordic Center.

Zeke's Shredders

Zeke loved FUN. Zeke was FUN! Growing up in Summit County Jon "Zeke" Zdechlik always found ways to play outdoors supported by an amazing mountain community. Sledding, skiing, Nordic, and ski jumping were all a part of his days. He even learned to snowboard as an adult, admitting he could have used a pillow to cushion all his falls. Zeke loved Summit County and kids and envisioned a program for them to enjoy snow sports and be mentored by adults. Zeke's Shredders is a great opportunity for school-age kids to enjoy the mountains and thrive in a healthy community. Go Shredders!

The Town of Frisco in collaboration with Team Summit is proud to present Zeke's Shredders! This downhill ski program will be afterschool for kids aged 5-12. This is a skill building program and is not a learn to ski program. All participants must be able to independently ski and stop on their skis. Team Summit will provide coaches for your child to learn new skills and enhance on old ones. Your child must wear a helmet and they must have their own ski/snowboard equipment; we will not be providing rentals.
