SNOW TUBING

With various lanes of tubing, each one has a different experience — some are mellower, while others are steeper with more rolling terrain. The hill is accessed by a surface lift, making it the ideal activity for the whole family.

DETAILS

- Tubes are provided, and the hill is lit for evening tubing.
- Arrive 20-30 minutes prior to your scheduled tubing time to check-in.
- Riders must be at least 3 feet tall, and everyone must be in their own tube: no sharing tubes/lap riding.
- A maximum of 4 tubes may be connected.
- **Reservations are required.**
